The good feeling of being dressed just right

To help you prepare your holiday wardrobe, we have set a simple dress code that will allow you to take advantage of our variety of dining and entertainment options, always perfectly dressed.

During the day, starting in the morning at breakfast until 18:00 in the evening, you can make yourself comfortable in 'Resort Casual' whilst dining around the resort. We would appreciate it if you always wore a top (T-shirt, polo shirt, tunic, etc.) and dry trousers/shorts/skirts when seated in the restaurants.

In the evening, we would appreciate it if you changed to 'Resort Evening Wear'/'Elegant Casual' or 'Formal Resort Attire' to enhance the overall resort atmosphere.

FORMAL RESORT ATTIRE

Formal attire in a resort setting is often chosen for weddings and other special events. However, formal dress is more relaxed and similar to what you would wear to a cocktail party. While a suit is a good idea for men, a nice button-up shirt with a dinner jacket and trousers can be acceptable. Dress shoes are recommended over tennis shoes or sandals. Women have a few more options to choose from, including full-length dresses and gowns and a nice trouser suit or skirt with a top. All outfits should be paired with a nice pair of flats or heels.

ELEGANT CASUAL

Elegant casual, also known as 'casual elegance', is typically similar to something you would wear to an upscale restaurant. A step above resort evening, with this dress code, men are expected to wear a long-sleeve dress shirt with trousers and dress shoes—no shorts, T-shirts, or sandals. Women can wear skirts or trousers with a nice top or a dress. Both women and men should opt for dressier shoes.

RESORT EVENING WEAR

At some resorts, you will need to be casually dressed during the evening, when going to dinner. Men should plan to wear dressier shorts, trousers or nice jeans with a polo or other collared shirt. T-shirts, sleeveless shirts and simple shorts are not typically acceptable. Women can choose a casual dress, or pair a top with a nice pair of jeans, slacks or a skirt. For shoes, both men and women can choose from elegant sandals or closed-toed shoes, and should avoid wearing flip-flops.

RESORT CASUAL

The styles you will find in a resort casual or informal atmosphere are similar to what you would find at popular breakfast and lunch spots. Please refrain from wearing wet bathing suits or shorts, as well as being topless, whilst visiting our bars and restaurants. You can comfortably wear swimsuit cover-ups, jeans, capris and shorts with a T-shirt or polo shirt. Tennis shoes, trainers and sandals are all acceptable as well. You can even wear flip-flops with this relaxed dress code.
